Enclosed are examiner-initialed copies of the following information disclosure statements: June 2, 2004; June 3, 2004 and February 22, 2002. It is noted that the board remand identifies an IDS dated February 2, 2003 has not been considered however no such document is present with respect to that date and it appears that the remand may have intended to identify the IDS dated February 22, 2002. Note documents which are crossed out on the IDS of June 2, 2004 have previously been considered on another IDS and have been crossed out to eliminate redundant citations.
